

The Esther Project

Referral Form

The Esther Project is run by the charity Yada. We work to prevent the sexual exploitation of self-identifying women. We offer a discreet, non-judgemental outreach support service to women selling or exchanging sex for survival and those who have been trafficked, giving them a safe space to talk, tailored practical support and safety advice.

Please complete as much information as you can and email it to hello@esther-project.org, attaching any other relevant information. Any questions or queries, please call: 07902726432. Please note, that our working days are Monday - Friday, and we will respond as soon as possible.
